Mizzian Secretary's remarks:-

The question is whether the amount offered may be accepted by Government at 5% interest. A few similar applications were received by Government during the past 3 years and regarding them replies were given to the effect that the revival of the old system was under consideration and that any moneys offered by private gentlemen for Charitable purposes might be placed in the Savings Bank. The general question seems to be one deserving early favourable consideration at

of the Government.

In Govt. Pro: no 5269-78 dy Muz F 6-9-1902 / 17th May 1906. orders were issued declining to revive the System of receiving deposits from private persons in Government Treasuries at 5 per cent interest. The Dy. Commr was informed (in this Offia Docket no 5777) dy 18th June 1906) that if the petitioner & Mr. Kowle Dyawappa is willing he may invest the amount in the Govt of India Securities.

Meanwhile the amount of Rs 10000/- was deposited in the Govt Savings Bank by the petitioner. In Sept 1906 as there was an announcement in the Mysore Gazette about the 4% Loan, the petitioner represented to the Dy. Commr that the amount of Rs 10000/- may be invested in the 4 per cent Loan.

As the amounts ~~had~~ stood deposited in the Savings Bank in two different accounts, a sum of Rs 6000/- only ~~was~~ could be invested in the 4% Loan & the same ~~was~~ has been ~~drawn~~ invested - The balance of Rs 4000/- still remains in the Savings Bank.

not deserve any consideration. These petitioners state that they should be allowed to have a hand in the management of the charities and Sri Dyavappa says that after him any one of the deserving members of his family may be appointed one of the Dharmadarsis which is what the petitioners want. Thus it will be seen that the proposal to take under Govt management the charities has not been objected to. Out

Deputy Commissioner's Office
Shimoga District
19th September 1904.

From M. S. Narayana Rao Esq.
Deputy Commissioner
Shimoga District

To V. Ananthaswami Rao Esq.
Secretary to the Government of Mysore
Mysore Department.

Sir,

I have the honour to submit for the orders of Government an application from Mr Kanle Eyavappa, a rich land holder and money lender residing at Sagar. This gentleman has built a temple dedicated to Dattatreya Swami and a chatram attached to it. (Both buildings are substantially built and have cost about 22000Rs. In the chatra there is accommodation for all classes of travellers. Sagar is an important trading centre and the Head Quarters of the Assistant Commissioner having charge of the Sagar, Nagar and Sorab Talukes. There is also a Munsiff's Court. The buildings constructed

by Mr. Dyavappa have supplied a want that was very greatly felt.

2. Mr. Dyavappa wishes to place the arrangements for the maintenance of the institutions on a satisfactory footing. He has tendered to me a sum of 10000 Rs of which Rs 8000 is intended for the Chatra and 2000 Rs is for the temple; and the sum has been for the present deposited in my name in the Savings bank for the benefit of the institutions. Mr. Dyavappa prays that the amount be taken over by Government and interest allowed at 5 per cent per annum. He also prays that the lands purchased for the temple and standing in its name maybe made rent free or a favourable rate of assessment may be levied on them. The latter is a request for the compliance of which I find no precedent. In regard to the former such endowments used to be received before and interest allowed at 5 p. c. The arrangement was however held in abeyance during the minority of His Highness the Maharaja I beg to solicit that the [illegible]

revival of the practice may receive favourable consideration.

3. Mr. Dyavappa has given a list shewing the establishment proposed to be employed for the institutions and the expenditure incurred for other purposes connected with the institutions. He wishes to be employed sole manager of them during his lifetime, and if his successors prove worthy of confidence the privilege may be continued, Government reserving themselves the right to take over management and to appoint Dharmadarsis in case the management by Mr Dyavappa's heirs be found unsatisfactory. The request is very reasonable and may be complied with.

4. It will be seen from the statements herewith submitted that a savings of 58 Rs is expected in the case of the temple and of Rs 188 in the case of the Chatra if interest at 5 p.c is allowed. If the Government of India rate of 3½ p.c. is allowed the savings will be 28 Rs in one case and 68 Rs in the case of the other, seems

quite inadequate to execute the casual repairs that the buildings may want from time to time.

I have the honour to be,
Sir,
Your most obedt servt

[illegible]
for Deputy Commissioner
Shimoga Distt.

26th July 1904

To

The Deputy Commissioner,
Shimoga District.

Sir,

I, Vyravappa son of Kaulé Venkappa Sahukar, Sagar beg to state as follows:—

"There was no Government building in Sagar for travellers to sojourn. I bought the site shewn in the plan enclosed in the connected record submitted before in 1894-95 — from the owners thereof and built thereon at my own cost a chattram consisting of 3 blocks for 22000 Rs for the use of the public. You have been pleased to inspect the temple of Sadha-Krayaswami built in the front portion as also the store room, the 4 wells sunk for the convenience of water, the pond with the garden attached thereto and the flower garden in the back portion.

Since the building of the Chattram I have been solely managing the affairs and have kept two Gumastas paid out of my private funds for the purposes

I have herein enclosed two lists containing the furniture and copper and brass vessels &c. bought for the use of the Chatram and the temple and also things to be used in Procession &c.

I have herewith produced the list shewing the items of income of and expenditure to be incurred for the Chatram and the temple. I humbly request that interest at the rate of 5 p.c. per annum may be kindly caused to be paid on the 1,000 Rs. deposited by me in the savings Bank for the above said purpose and I have herewith produced the Bank Pass Book.

The enclosed list gives the particulars of lands set apart for the temple and I have got the Khata of the said lands entered in the name of the deity. I pray that the annual assessment of Rs 83-13-4 to be paid on the said lands may be either entirely remitted and the lands treated as Inam or only a portion thereof at least

remitted and the lands treated as foti Inam. I shall when ordered, produce the deeds relating to the sale &c. of the said lands.

In case the lands should in any year in future be left uncultivated for any reason whatsoever, the necessary expenditure of the Chatram and the temple may be met out of either the Chatram or the temple funds as the case may be without prejudice to the proper management of the institutions.

During my life time I will have the management of the institution in my own hands, collect the income as also incur the necessary expenditure without in any way mis-applying the funds. After my death any person of my family who is found competent may be appointed to manage the institution so long as either mis-applying or misappropriating the funds to his own use. If the Government considers that the above arrangement does not work satisfactorily they are at liberty to remove [illegible]

of this place (Sagar) who are found competent and benevolently disposed and 2 Government officers as Dharmadarsis and make arrangement for the proper management of the institution.

I further pray that Government may be pleased to give permission to the person to be appointed for the Chatram to wear a badge and belt with the name of the proprietor of the institution inscribed thereon in token of the recognition by the Government of the said charities.

The repairs &c provided for in the statement of expenditure hereto attached should be carried out in proper time, and the expenditure therefor incurred after obtaining the sanction of the Dharmadarsi appointed for the time.

Most Respected and Honored Sir,

1 In the town of Sagar, our uncle Kanley Devappa, has built a choultry and a temple out of our joint family funds and these institutions go by the name of Kanley Chatram and Dattateya Temple.

2 Our uncle Kanley Devappa was the managing member of our family when we were undivided, he had the managements of these institutions under him. During the partition of our family, assets amongst us and Kanley Devappa, which took place last year, it is agreed among us before the panchayathdars that we should, that these institutions should be managed [illegible]

Devappa, being the elder member of our family, is living ever since the partition in the said Chakram in a sickly condition, the management is still with him,

3 Being given to understand that our Devappa has applied to the government of Mysore, that an order to the effect that these institutions should be managed by him during his life time, and by the Government after his death, we most humbly and respectfully beg to be excused to submit, that if his request be granted, we, the private individuals, will be deprived of our right in these institutions, in contravention to the agreement above referred to and also to the regulations laid down by the Government, since we have also equal a right in these institutions as our Devappa has, and so, the Government, may be pleased to pass an order rejecting his request, and permitting us to manage the properties jointly; for which act of kindness, we shall ever pray to, in duty bound, for your Excellencies long life and prosperity.

To,

Secretary to Government
Muzrai Department.

Sir,

Adverting to your docket No. 5777 of 12th June 1906, calling for a report, after consultation with Mr. Dyavappa, in the matter of taking over under Government management the chatram and temple built by him at Sagar, I have the honor to state that Mr. Dyavappa is willing to invest the sum of Rs 10,000 now deposited in the Government Savings Bank together with the interest thereon (about 600 Rs) in Government of India paper and place the same at the disposal of the Mysore Government. Out of the interest, accruing therefrom — and the realizations from the land and

made over
houses, to the temple and the Chatram
he wants the expenditure of both the
institutions to be met. A revised list
of expenditure is herewith submitted.

2. The statement given by Mr. Devadh
was before the announcement in the
Mysore Gazette of the issue of the new
Mysore 4 per cent loan. I would now
propose that if possible, the whole of
the abovementioned sum of Rs 10600 should
be invested in the Mysore Government
4 per cent paper or the sum of Rs 5600
only which is in excess of the limit of
Rs 5000/- prescribed by the New Savings
Banks Rules be so invested and the —
remainder left in the Government —
Savings Bank carrying interest at 3 1/8
per cent.

3. Under this arrangement the an-
nual income would amount to Rupees
577-5-0 (Vide statement A appended)
and the expenditure as detailed in State-
ment B to Rs 431-0-0. The donor wishes
that the unexpended portion of the —
amount

annual income amounting to about Rs 146 — should be utilized for meeting any unforeseen charges and repairs to the temple, any surplus remaining over being added to the investment.

4 Mr K. Devappa further offers to hand over copper and brass vessels and furniture valued at Rs 500/- for use in the chattram and silver and brass vessels valued at Rs 430/- for use in the temple.

5. Mr K. Devappa desires to be appointed as sole Manager of the two institutions during his life time. The request is reasonable and may be granted subject to the general control of the Amildar on the understanding that regular accounts of income and expenditure are maintained.

6 The vernacular records ending with Sagar Taluq Amildar's report No 81 of 26th July 1906 are also submitted for reference.

Sir,

Reference
Your docket No 1073 dated 30th October 1906 forwarding a petition from Ranta Venkappa and others:

I have the honour to forward herewith statements of the petitioners and also of Mr Ranta Devappa as desired. The petitioners state that they do not in any way question the action of Mr Devappa as far as the establishment of the charitable

charitable institutions or the handing over the management of the charities to Government is concerned and that their only request is that Mr. Devappa having established the charities from the income of their joint property which he was managing during their minority, their names should also be associated with these charities; while Mr Devappa objects to this being done on the ground that by a careful management of the affairs of the family he improved the income to a considerable extent and in no way allowed the interests of the petitioners in their minority to suffer.

2. The objection of the petitioners is only trivial and does not seem to deserve any consideration. In his

his statement dated 23rd September 906
before the Amildar Mr. Devappa clearly
says that after him any one of the
deserving members of his family should
be one of the Dharmadarsis, which
is what the petitioners want.

The vernacular records ending
with this office Yadi No 414 dated 26th
September 1906, received with the
above are herewith returned.
